RE: IAB# 0716017      DISCIPLINARY

Mr. BLOODSAW:

The Inmate Appeals Branch, California Department of Corrections and Rehabilitation (CDCR) acts for the Director, Division of Adult Institutions, at the third level of appeal. The Branch examines and responds to inmate and parolee appeals that are submitted on a CDC Form 602, Inmate/Parolee Appeal Form, after the institution or parole region has responded at the Second Level of Appeal.

Institution and parole staff are available to assist you in obtaining additional copies of forms and documents required to submit an appeal. The inmate library offers resources and assistance to obtain general information regarding regulations, procedures, policies, and government agency addresses. Additionally, your assigned Counselor or Parole Agent, or the Appeals Coordinator can answer any questions you may have regarding the appeals process. The Inmate Appeals Branch appreciates your responsible use of the appeal system to address your grievance.

The Inmate Appeals Branch has received an appeal from you and has determined that it does not comply with the appeal procedures established in California Code of Regulations (CCR) Title 15, Article 8, and is being screened-out and returned to you pursuant to CCR 3084.3 for the following reason(s):

Your appeal was rejected, withdrawn or cancelled. If you disagree with that decision, contact the Appeals Coordinator. You must comply with instructions from that office.

DEPARTMENT OF CORRECTIONS

DOC NUMBER P-20045	INMATE'S NAME BLOODSAW	RELEASE/BOARD DATE 5-28-2020	INST. PBSP	HOUSING NO. ASUE-01L	LOG NO. E07-10-0013
VIOLATED RULE NO(S). 3017	SPECIFIC CHARGE: COUNT PROCEDURES VIOLATIONS	LOCATION ASU-1	DATE 10-25-07	TIME 1630	
CIRCUMSTANCES					

On October 25, 2007 at 1630 hours, while I was assigned as Administrative Segregation Unit-1 (ASU-1) Floor Officer, I was conducting the 1630 Institutional Standing Count. Prior to starting the count, the control booth officer announced over the public address system, "Count Time, 1630 standing count, all inmates must be standing with their bright light on." While performing the standing count, I arrived in front of cell ASUE-01 occupied by inmate BLOODSAW, P-20045. I observed inmate BLOODSAW sitting on his toilet with his light on. I could see that BLOODSAW was fully clothed and not using the restroom, so I informed BLOODSAW that it was time for standing count. BLOODSAW responded by stating, "I aint standing." I gave BLOODSAW a direct order to stand for count. BLOODSAW refused the order, and stated, "write your 115, I aint standing." BLOODSAW continued to ignore my order and remained sitting on the toilet. According to the California Code of Regulations, Title 15, Section 3274 (1), it states: *At least one daily count shall be a standing count wherein inmates shall stand at their cell floor. This procedure is performed to insure the health and safety of the inmates and the security of the institution.* At Pelican Bay State Prison all inmates are aware that the 1630 count has been established as the standing count. I notified Sergeant P. DeMeo that BLOODSAW was refusing to comply with institutional count procedures. Sgt. P. DeMeo returned to BLOODSAW'S cell and ordered him to stand for count. BLOODSAW refused. Sgt. P. DeMeo then ordered BLOODSAW to back up to the door and submit to hand restraints. BLOODSAW complied and with the order and was placed in hand restraints. BLOODSAW was escorted to the ASU-1 rotunda holding cell and was examined by ASU-1 medical staff. It was determined that there was no medical reason why BLOODSAW was unable to stand for count. BLOODSAW became highly agitated and disrespectful to ASU-1 floor staff and medical staff by yelling at them and referring to them as, "punk-ass bitches." After approximately fifteen minutes BLOODSAW was returned to his cell with no further incident. BLOODSAW is aware of this report.

This inmate is not EOP or crisis Bed. Following current guidelines for mental health assessments, the circumstances of this offense have been carefully evaluated. The Reviewing Supervisor has concluded that a Mental Health Assessment is not required.

**Hearing:** On 11/11/07 at approximately 0825 hours, BLOODSAW was given the opportunity to attend this disciplinary hearing. BLOODSAW declined. When informed by staff that he needed to sign a CDC 128-B confirming that he had refused to attend, BLOODSAW refused to sign. At this institution, force will not be used to coerce attendance at a hearing. For this reason, his refusal to attend was accepted and the hearing was held in his absence. A CDC 128-B with the signature of two staff witnesses (C/O M. ROBERTS and C/O P. COLE) to his refusal was completed.

**District Attorney:** This has not been referred for criminal prosecution.

**Due Process:** The behavior of this inmate was evaluated at the time that the Reviewing Supervisor reviewed this disciplinary report. The Reviewing Supervisor concluded that a mental health assessment was not required. The SHO concurs. There is no compelling need for a mental health assessment based upon the circumstances given in this report.

The disciplinary was served on the inmate within 15 days of discovery and the hearing was held within 30 days of service. The inmate received his copies of all documents more than 24 hours in advance of the hearing. There are no due process issues.

**Staff Assistant:** There is no reason to believe that BLOODSAW is illiterate or does not speak English. The issues are not complex and the defendant has no apparent interest in presenting his defense at this hearing. Staff Assistant will not be assigned.

**Investigative Employee:** BLOODSAW has no apparent interest in an investigation on his behalf. The issues are not complex and available information is sufficient. I.E. assignment is unnecessary.

**Witnesses:** No witnesses were called to this hearing. None were listed on the CDC 115-A as requested by the inmate and the SHO did not require any additional testimony.

**Video/photo evidence:** Videotape evidence was not an issue for this hearing.

As BLOODSAW did not attend the hearing, a plea was not entered and he did not present any testimony in his own defense. The hearing was decided based upon the following written evidence: CDC 115 of 10/25/07.

**Finding:** Guilty of the Div. F-3 (CCR 3315 (a)(2)(B) offense COUNT PROCEDURE VIOLATION. While this offense is not explicitly listed under CCR 3315 as a serious offense, it is justified by the fact that such misconduct potentially breaches institutional security as well as causing disruptions of facility operations. This offense requires evidence that the inmate failed or refused to present himself at the designated place and time for the institutional count. This finding is based upon the following preponderance of evidence:

A. The testimony of OFFICER SULLENGER in the disciplinary report of 10/25/07 wherein SULLENGER testifies that BLOODSAW refused to stand for the institutional 1630 hours standing count and stated "I ain't standing. Write me a 115." The unit sergeant responded and BLOODSAW was removed from the cell to ascertain his well being and became disrespectful referring to staff by stating "Punk-ass bitches."

B. BLOODSAW'S refusal to attend the hearing and provide any reasonable explanation for his actions.

C. The SHO notes this RVR should have been classified a more serious violation as a division D offense specifically "Willfully Obstructing/Delaying a Peace Officer".

**Disposition:** Assessed 30 day credit forfeiture for this Div. F offense. With this notice, BLOODSAW is informed that his credit restoration period began 10/26/07 and this restoration period is a minimum of three months (if within 60 days of

804 FAXED: 10-31-07

DOC NUMBER <b>P-20045</b>	INMATE'S NAME <b>BLOODSAW</b>	RELEASE/BOARD DATE EPRD: 6-21-2020	INST. PBSP	HOUSING NO. ASUE-01L	LOG NO. E07-10-0015
VIOLATED RULE NO(S). <b>3004 (b)</b>	SPECIFIC CHARGE: DISRESPECT W/OUT POTENTIAL FOR VIOLENCE	LOCATION ASU-1	DATE 10-25-07	TIME 1635	

## CIRCUMSTANCES

On October 25, 2007, at approximately 1635 hours, while I was assigned as the Administrative Segregation Unit-1 (ASU-1) Facility Third Watch Sergeant, I informed inmate BLOODSAW, P-20045, ASUE-01L that he was removed from his assigned cell to establish there is not a medical reason he should not have to not stand for the Institutional 1630 Standing Count. As I was explaining the CDCR policy for the Institutional Count Procedures to inmate BLOODSAW, he became very agitated, using vulgar language toward me with a very loud voice. Inmate BLOODSAW was very belligerent and called me a "bitch ass, racist, mother fucker", and stated, "I'll see you in court you bitch ass mother fucker." At 1645 hours inmate BLOODSAW was medically cleared by Psychiatric Technician (P.T.) A. Brown and escorted to his assigned cell without further incident. Inmate BLOODSAW is aware of this report.

This inmate is not EOP or crisis Bed. Following current guidelines for mental health assessments, the circumstances of this offense have been carefully evaluated. The Reviewing Supervisor has concluded that a Mental Health Assessment is not required.

---------------------------------------	--	--	---	--------------------------------------	--------------------------------

**Hearing:** On 11-08-07 at approximately 0830 hours, BLOODSAW was given the opportunity to attend this disciplinary hearing. BLOODSAW declined. When informed by staff that he needed to sign a CDC 128-B confirming that he had refused to attend, BLOODSAW refused to sign. At this institution, force will not be used to coerce attendance at a hearing. For this reason, his refusal to attend was accepted and the hearing was held in his absence. A CDC 128-B with the signature of two staff witnesses (C/O B. PRICE and C/O J. KAY) to his refusal was completed.

**Due Process:** Per California Code of Regulations, Title 15, Section 3320 (a), the disciplinary must be served on the inmate within 15 days of discovery. Per California Code of Regulations, Title 15, Section 3320 (b), the charges must be heard, with specific exceptions, within 30 days of service on the inmate. Per California Code of Regulations, Title 15, Section 3320 (f), failure to meet these time constraints precludes the hearing from assessing a credit forfeiture. Failure to meet these time constraints does not preclude the hearing officer from assessing any other appropriate penalties. As credit forfeitures are not available to an administrative hearing in any case, these time constraints have no practical relevance for this hearing. As noted, the inmate received a copy of hearing documents more than 24 hours in advance of the hearing. There are no due process issues.

The behavior of this inmate was evaluated at the time that the Reviewing Supervisor reviewed this disciplinary report. The Reviewing Supervisor concluded that a mental health assessment was not required. The SHO concurs. There is no compelling need for a mental health assessment based upon the circumstances given in this report.

**Staff Assistant:** BLOODSAW was assigned a Staff Assistant as BLOODSAW is illiterate (reading score of 4.0 or less). The assigned SA, Correctional Officer M. Roberts, was present at the hearing and confirmed that he interviewed BLOODSAW more than 24 hours in advance. Officer Roberts confirmed that he had explained hearing procedures, disciplinary charges, the evidence supporting these charges and the right to request confidentiality.

**Investigative Employee/Witnesses:** Per CCR 3314 (c), the inmate does not have the right to assignment of an investigative employee or request witnesses at this hearing. The hearing officer requested no witnesses.

As BLOODSAW did not attend the hearing, a plea was not entered and he did not present any testimony in his own defense. The hearing was decided based upon the following written evidence: CDC 115 of 10-25-07.

**Finding:** Guilty of the administrative offense DISRESPECT WITHOUT A POTENTIAL FOR VIOLENCE. This charge requires evidence that the inmate took an action or made a comment or remark that was intended to offend, insult or otherwise disrespect the intended victim and the circumstances of the remark did not include a potential for violence or mass disruption. This finding is based upon the following preponderance of evidence:

A. The testimony of Correctional Sergeant P. Demeo in the disciplinary report of 10-25-07 wherein Sergeant Demeo testifies that inmate BLOODSAW called him a "BITCH ASS RACIST MOTHERFUCKER".

**Disposition:** With this notice, BLOODSAW is counseled that this behavior is not appropriate and given a reprimand.

## CIRCUMSTANCES:

In Wednesday, December 19, 2007 at approximately 0730 hours while doing my medication pass, I stopped at ASUE-01L, which is solely occupied by inmate BLOODSAW, P-20045. I was attempting to give BLOODSAW his morning medication and triage his sick call slip. BLOODSAW became verbally abusive, using vulgar language toward me. I made several attempts to communicate with BLOODSAW, with negative results. BLOODSAW continued to use vulgar language towards me, and stated he is refusing his medication. At that time BLOODSAW said, "Suck my dick" as he pulled his penis out with his left hand and waved his penis at me. At that time I exited the section, and notified Lt. G.A. Kelley of the incident. BLOODSAW is aware of this report. (Refer to PBSP-FBAS-07-12-0507.)

his inmate is not EOP or crisis Bed. Following current guidelines for mental health assessments, the circumstances of this offense have been carefully evaluated. The Reviewing Supervisor has concluded that a Mental Health Assessment is not required.

---------------------------------------	--	--	---	--------------------------------------	--------------------------------

**Hearing:** On December 28, 2007 at approximately 0850 hours, BLOODSAW was given the opportunity to attend this disciplinary hearing. BLOODSAW declined. When informed by staff that he needed to sign a CDC 128-B confirming that he had refused to attend, BLOODSAW refused to sign. At this institution, force will not be used to coerce attendance at a hearing. For this reason, his refusal to attend was accepted and the hearing was held in his absence. A CDC 128-B with the signature of two staff witnesses (C/O R. Achziger and C/O H. SOULE) to his refusal was completed.

**District Attorney:** Per the California Department of Corrections (CDC) Form 115-A, BLOODSAW was advised prior to this disciplinary hearing that this has been referred for possible prosecution and that he can postpone his hearing pending resolution of prosecution. He was informed that any statements could be used against him in a court of law. There is no reason to believe that BLOODSAW signed a written postponement request.

**Due Process:** The behavior of this inmate was evaluated at the time that the Reviewing Supervisor reviewed this disciplinary report. The Reviewing Supervisor concluded that a mental health assessment was not required. The SHO concurs. There is no compelling need for a mental health assessment based upon the circumstances given in this report.

The disciplinary was served on the inmate within 15 days of discovery and the hearing was held within 30 days of service. The inmate received his copies of all documents more than 24 hours in advance of the hearing. There are no due process issues.

**Staff Assistant:** BLOODSAW was assigned a Staff Assistant as BLOODSAW is illiterate (reading score of 4.0 or less). The assigned SA, B. Price, was present at the hearing and confirmed that he interviewed BLOODSAW more than 24 hours in advance. Price confirmed that he had explained hearing procedures, disciplinary charges, the evidence supporting these charges and the right to request confidentiality.

**Investigative Employee:** BLOODSAW has no apparent interest in an investigation on his behalf. The issues are not complex and available information is sufficient. I.E. assignment is unnecessary.

**Witnesses:** No witnesses were called to this hearing. None were listed on the CDC 115-A as requested by the inmate and the SHO did not require any additional testimony.

**Video/photo evidence:** Videotape/ Photo evidence was not an issue for this hearing.

As BLOODSAW did not attend the hearing, a plea was not entered and he did not present any testimony in his own defense. The hearing was decided based upon the following written evidence: CDC 115 of 12/19/07 as well as the incident report.

**Finding:** Guilty of the Div. D (5) offense INDECENT EXPOSURE. This charge requires evidence of the deliberate exposure of the genitals or other private parts of the body under circumstances likely to cause affront or alarm. Given that inmates are obligated to protect the privacy of himself and others within the living areas, any exposure of private parts to staff can be regarded as a deliberate affront. This finding is based upon the following preponderance of evidence:

A. The testimony of Registered Nurse S. Nakamura in the disciplinary report of 12/19/07 wherein Nakamura testifies that, "On 12/19/07 Inmate BLOODSAW, P-20045, ASUE-01L, pulled his penis out with his left hand and waved it at me stating suck my dick."

**Disposition:** Assessed 90 day credit forfeiture for this Div. D offense. With this notice, BLOODSAW is informed that his credit restoration period began 12/20/07 and this restoration period is a minimum of six months (if within 90 days of scheduled release, the minimum is reduced to 60 days). If he is found guilty of any administrative or serious CDC-115 issued during this credit restoration period, he forfeits his eligibility for restoration. If he completes this restoration period disciplinary free, he may request a classification review. Classification will make the final determination whether he is eligible for restoration or request an additional period of disciplinary free conduct. Referred to classification for SHU assessment. With this notice, BLOODSAW is referred to CCR §3084.1 for information on appeal procedures.

**Additional penalties:** Per PBSP Pilot Program for Management of indecent exposure incidents, the hearing officer may suspend specific privileges for no more than 90 days for the first offense and 180 days for the second offence with the suspension period starting the day of the hearing. On 04/01/04, at approximately 1700 hours, while I was assigned as the AF-4 Control Booth Officer, I was informed by A-Facility Program Sergeant J. Diggle that I needed to empty a cell. Sergeant Diggle gave me a list of compatible inmates. On the list were inmate BLOODSAW, P20045, AF4-223 and inmate HALE, K-55936, AF4-230. At approximately 1750 hours I opened cell AF4-223 and cell AF4-230. BLOODSAW and HALE walked down to the C-Section dayroom. I informed both inmates I needed to make a empty cell. HALE stated, "No way" and walked back to his assigned cell. BLOODSAW stated, "You're trying to set me up" and walked back to his assigned cell. General population inmates at P.B.S.P. are required to comply with P.B.S.P. housing expectations. It is the expectation that compatible inmates housed in general population double cell. Both BLOODSAW and HALE are non-affiliated black inmates.

This disciplinary was originally written by Correctional Officer J. Holz as a CDC 115 for FAILURE TO MEET PROGRAM EXPECTATIONS. Prior to being classified I reduced it to a CDC 128A in the interest of justice. This is in keeping with the progressive disciplinary process.

Inmate Bloodsaw appeared before PBSP FAC A UCC on this date for Program Review. Prior to Committee, D. Melton was assigned as staff assistant and was present during Committee. The staff assistant was assigned for the following reasons: CCCMS level of care, and S's current RGPL is 4.0 or less. Committee effectively communicated with S as noted: Short sentences using simple English. Committee noted S has an RGPL of 3.3. Effective communication was achieved, and S appeared to understand. This Program Review is being held for the two following reasons: (1) Review for "S" suffix placement; and (2) Address prior D1/D and/or C/C status. S was asked if he was willing to take a cellie and program, and S stated, "No." Committee noted S has no cellmate and the "S" custody suffix has not previously been applied. **Committee acts to affix the "S" suffix, due to S adamantly refusing to take a cellie and program.** S was advised that the "S" suffix can be taken off when he decides to program and adhere to CDC rules and regulations of double belling. Committee notes that ICC of 6/22/05, assigned S to WG/PG D1/D when placed in AD-SEG. Per memo of 9/17/04, any I/M who is placed in AD-SEG while on C/C status shall be assigned to WG/PG D2/D. This shall be assigned whether or not the move was adverse or non-adverse. **Committee acts to clear this error and make S D2/D effective 6/10/05 through 8/2/05, then C/C 8/3/05 until present UCC.** As S is adamantly refusing to program, **Committee acts to retain S on WG/PG C/C.** Committee further acts to continue custody level at CLO BS, with WG/PG C/C effective 8/3/05. S participated in Committee, acknowledged understanding, and agreed with Committee action, stating, "I refuse to take a cellie. I'm telling you straight up, I'm a Crip." S was advised of Committee's decision and his right to appeal, and that any appeal of this Committee action must be submitted within 15 working days of this date, whether he has received the CDC Form 128G Classification chrono or not. Next scheduled Committee will be in 6/2006, for Annual Review.

Committee notes that S has received disciplinaries dated 10/17/06, 11/14/06, 11/16/06, and 11/21/06, for Refusing to Attend BMU Classes. S additionally received a 128A dated 10/25/06 for Refusing to Accept a Cellie during this 30 day review. Placement score is a current Level IV score of 93 points. Mandatory minimum score of 19 is noted for VIO. S was advised to notify staff immediately of any enemy situation which may arise. S is approved for 270 design facilities. **Committee acts to reaffirm S in the BMU program for 90 days and retain on Step # 1 of Individual Treatment Plan (ITP) for 30 days based on S's nonparticipation in the required BMU classes and not remaining disciplinary free. Committee also acts to continue WG/PG C/C status effective 07/14/04, and continue at CLO B custody. S was reviewed and cleared for double celling.** S was advised of his ITP which includes the basic requirement that he remain disciplinary free for 90 days prior to any consideration for his release from BMU and his completion of the selected behavior modification assignments. S participated in Committee, acknowledged understanding and disagreed with Committee action, stating "What about my 602's. I will see you all in Court." UCC explained that his appeals were being processed and that he needed to follow the BMU program requirements to be released to the general population. S is eligible to work around computers, computer systems, or be in areas that may have access to personal information per PC 2702, PC 502, or PC 5071. PC 2933 and 2930 complied with. BPH Rev: 0 TX PBSP/COR SHU

**RECOMMENDED ACTION:** Retain in SHU indeterminate status upon expiration of MERD. Refer to CSR recommending transfer PBSP/COR SHU.

**ADMINISTRATIVE PLACEMENT FACTORS:** Inmate BLOODSAW refused to appear before PBSP AD-SEG, ICC on this date for Pre-MERD Review. Pursuant to CCR 3336 the Reason for Placement (Part A) is: S is serving a determinate SHU term due to RVR 04/12/07, Battery on a Peace Officer, with a MERD of 04/12/2008.

**DISCUSSION:** Committee notes S is endorsed for transfer to PBSP SHU. Due to the lack of SHU bedspace S has remained in ASU on Active MERD. Committee reviewed S's disciplinary history which includes two RVR's that resulted in determinate SHU terms. S has been found guilty of RVR's dated 08/11/99, Attempted Battery on a Peace Officer, 04/12/07, Battery on a Peace Officer 12/19/07, Indecent Exposure and numerous RVR's for recurring Failure to Meet Program/Work Expectations. Committee views S's refusal to appear at ICC for his Pre-MERD Review, as another example of his refusal to program. Committee deems S's presence in GP poses an unacceptable risk to the safety of others and the security of the institution. Committee acts to retain S on SHU Indeterminate status upon expiration of MERD.

**STAFF ASSISTANCE:** More than 24 hours prior to Committee, Correctional Officer J. Kay was assigned as SA. The SA was assigned as S has no documented reading level or his reading level is below 4.0.

**MENTAL HEALTH REVIEW:** ICC notes CDCR 128-C, dated 06/27/01, noting S is not a participant in the MHSDS level of care.

**DA ACTION:** N/A

**CELL STATUS:** S is cleared for double celling.

**YARD STATUS:** Committee acts to place S on Walk Alone Yard Status, Individual Exercise Yard, based upon case factor review.

**COMMITTEE ACTION:** Committee acts to refer this case to the CSR with recommendation for transfer to PBSP, with alternate of COR, for SHU placement. This is an adverse transfer. Upon transfer, S's custody will be MAX; WG/PG D1/D effective 09/13/07 and single cell housing will not be required.

**INMATE COMMENTS:** N/A

**APPEAL RIGHTS:** As S's case was reviewed in absentia, he will be advised of his rights via this chrono.

DISCUSSION: S was previously housed at PBSP SHU serving a determinate SHU term due to an RVR dated 04/12/07, Battery on a Peace Officer. At the expiration of a 04/12/08 MERD, S was moved to ASU. Committee notes a CSR action dated 03/25/08 referred the case to the CDW. The CSR noted an RVR dated 12/19/07, for Indecent Exposure had not been assessed a SHU term as required per the CSRs. Committee also notes ICC action dated 03/12/08 retained S on Indeterminate status due to S's disciplinary history. **ICC acts to rescind ICC action dated 03/12/08. C-File reflects S was found guilty of the following:** RVR dated 12/19/07, Log #E07-12-0003, CCR #3007, a DIV-D offense, for the specific offense to Indecent Exposure, resulting in 90-days loss of credit. **This offense warrants a SHU term; therefore Committee acts to assess a 6-month concurrent SHU term and refer to CSR for audit and review.** No aggravating factors were noted. The SHU term was not mitigated due to prior disciplinary history. S's WG/PG will be D2/D effective 12/19/07 for period of credit forfeiture per CCR #3045.1, then WG/PG D1/D will be applied: **Suspended MERD for this offense is 05/04/08.**

MERD for this offense is 05/04/08.** No aggravating nor mitigating factors were noted. Refer to CSR for audit and review. S's WG/PG will be D2/D effective 12/19/07 for period of credit forfeiture per CCR #3045.1, then WG/PG D1/D will be applied.

**BMU Placement Factors:** Inmate Bloodsaw refused to appear and was reviewed in absentia by PBSP FAC-B Behavior Modification Unit (BMU) UCC on this date for Program/Annual Review. S was initially placed into the BMU program on 04/29/08, based on: **S committed a SHUable offense per the CCR, Title 15, Section, 3341.5.** Committee notes that since S's prior 30 Day Program Review, he has not remained disciplinary free and has not participated in any of the required educational classes of his Individual Treatment Plan (ITP). UCC notes S received RVR dated 05/15/08, for Recurring Failure to Meet Program Expectations, and 128A dated 05/15/08, for Refusing to Double Cell. Based on this information, UCC is in mutual agreement that S has not met the requirements of Step # 1, and therefore, is not eligible to graduate to the next 30 day increment of Step # 1, due to S is a Subsequent BMU placement and requires 60 days in each step of his ITP. UCC further notes that S has failed to successfully progress in the step process of his ITP; therefore, based on this above information, UCC elects to deem S a Program Failure and reject him from the BMU program. S was informed via the staff assistant, that he must submit a written request after 30 days of being disciplinary free, to the BMU CCI for readmission consideration and shall be reviewed by UCC, per OP # 225.

**Staff Assistance:** Committee notes CDC 128C, dated 03/12/08, noting S is not a participant in the MHSDS. DDP Review: 128C-2 in Central File, and is clear noting NCF. Committee notes that S has a RGPL of 3.3. Prior to Committee, Correctional Officer Thom was assigned as a staff assistant, interviewed S at least 24 hours prior to Committee per the CCR, Section 3315 (d)(2)(A), and was present during Committee. The staff assistant was assigned for the following reason: S's current RGPL is 4.0 or less. Effective communication was achieved, via the staff assistant, using short sentences and simple English, and S appeared to understand.

**Cell Status:** S states he can be housed with Black ethnic groups. Committee notes S has no current cellmate.

**Committee Notes:** S is approved for 180' design facilities due to: Code A1 (SHU placement during the past three years). Current placement score is noted to be 137 Level IV points, based on S received one (1) Rules Violation Report; which increased his score by 4 points during this annual review period.

**Committee Action:** Reject from the BMU Program and deem a Program Failure. Establish WG/PG, C/C status effective 05/28/08, place on the VUN waiting lists, and continue at CLO B custody level. S was reviewed and cleared for double-celling, noting no history of in-cell violence

**Appeal rights:** S is eligible to work around computers, computer systems, or be in areas that may have access to personal information per PC 2702, PC 502, or PC 5071. PC 2933 and 2930 complied with. S was advised of Committee's decision and his right to appeal via the staff assistant, at the conclusion of UCC, and appeared to understand. When I approached cell 209 in unit B8 I was able to see inside due to a plastic covering placed on the inside of the door. I informed inmate BLOODSAW (P20045, B8-2091), that he would have to remove a section of the plastic. Inmate BLOODSAW complied with the order and stated that other inmates in the section were throwing water at him through his cell door. I informed sergeant Pepiot of inmate BLOODSAW statement and made a notation in the B8-Floor station log book.

Plaintiff,

vs.

J.S. WOODFORD, et al.,

Defendants.

No. C 04-0752 JF (PR)

ORDER OF TRANSFER

(Doc # 2)

This is a civil rights case brought pro se by a state prisoner. Plaintiff is currently incarcerated at California State Prison - Los Angeles County located in Lancaster, California. Plaintiff claims he is incarcerated illegally by the California Department of Corrections. Plaintiff was convicted in Los Angeles County in 1997. The Court construes Plaintiff's complaint as a petition for a writ of habeas corpus, challenging the legality of his conviction and sentence. Therefore, the instant case will be transferred to the Central District of California, the location of Plaintiff's conviction and his confinement. This case is therefore TRANSFERRED to the United States District Court for the Central District of California. See 28 U.S.C. § 1404(a); Habeas L.R. 2254-3(b).

1 In view of the transfer, the Court will not rule on Plaintiff pending motion for leave to  
2 proceed in forma pauperis (doc # 2). The Clerk shall terminate all pending motions and  
3 transfer the entire file to the Central District of California.

4 IT IS SO ORDERED.

**RADIOLOGY REPORT**

NAME: BLOODSAW, Theopric NUMBER: E-40947 DATE: 10/20/92

DOCTOR: Brown HOUSING: 4B

**CERVICAL SPINE FILM SERIES WITH OBLIQUES.**

Radiographic examination of the cervical spine was obtained. There is either a superimposed position artifact or non-displaced fracture at the lateral left lateral corner of C-1. It is visible on the frontal projection. Further evaluation by obtaining follow-up radiographic examination may be of value. Otherwise there is no evidence of acute fracture or dislocation. Vertebral body statures are well maintained. Narrowing of C-5/C-6 intervertebral disc space with osteophytes is appreciated. This is consistent with degenerative disc disease. Neural canal are patent. Prevertebral soft tissue structures appear unremarkable. Mild reversal of cervical curvature is noted. This may be secondary to positioning or muscle spasms.

IMPRESSION: (1) Reversal of cervical curvature. (2) Degenerative disc disease. (3) Fractures verses superimposed position artifact of C-1 as described. *Follow up Lateral + open mouth view Rx*

NAME Bloodsaw NUMBER E40947 AGE 31 DATE 2/16/90  
 X-RAY REQUESTED Upper GI Series PHYSICIAN F. J. Foster, M.D.

## REPORT:

The preliminary film of the abdomen shows no evidence of acute intra-abdominal disease or other significant abnormality except for a developmental or possibly old minor post-traumatic deformity involving the right transverse process of the fourth lumbar vertebra.

The examination was performed without the aid of fluoroscopy. There appears to be increased prominence of the partially visualized distal antral and pyloric folds and there is deformity of the duodenal bulb with inflammatory thickening of the duodenal bulb and post-bulbar folds. The visualized upper intestinal tract is otherwise within normal limits and shows no evidence of peptic ulceration.

CONCLUSIONS: Findings consistent with nonerosive antral gastritis and duodenitis.

No evidence of peptic ulceration involving the upper intestinal tract.

NAME: BLOODSAW, THEOPRIC NO. P20045 RM: ASU-E1 DATE: 01/22/08

EXAM REQUESTED: FOUR-VIEW CERVICAL SPINE

REQUESTING M.D.: PCP

CLINICAL DATA: HISTORY NOT GIVEN

RADIOGRAPHIC REPORT: FOUR-VIEW CERVICAL SPINE

**FINDINGS:** There is extensive multiple level degenerative change throughout the mid and lower cervical spine. No evidence of instability is seen at C1-2 on the open-mouth view or on the lateral radiograph. However, there is a grade 1 degenerative spondylolisthesis at C4-5. Extensive disk space narrowing, osteophyte formation, and sclerosis of vertebral end plates is present from C3 to C7.

**IMPRESSION:** MULTIPLE LEVEL DEGENERATIVE CHANGE,  
CERVICAL SPINE, SEVERE CHRONIC APPEARING WITH  
GRADE 1 SPONDYLOLISTHESIS C4-5.

## ADDENDUM

Incidental note is also made of retained metallic material, which is not visible within the region of the spinal canal, but appears to be in the anterior chest wall region from previous gunshot wound and a few small fragments well anterior to the vertebral bodies at C4-5.

Comparison radiograph from 05/10/07, shows identical appearing degenerative change and same degree of spondylolisthesis at C4-5.

If cervical instability requires further evaluation, flexion/extension lateral radiographs should be considered.

Dear Mr. Bloodsaw,

I write regarding correspondence we received from you on May 13. I was glad to find out that you got your hearing aids and batteries. From the response to your appeal, log number 04-02445, it seems that they are working well for you and that you are able to hear better as a result. Is that correct?

However, you disagree with Dr. Tansi's medical determination that you are not mobility impaired. Unfortunately, since Dr. Tansi has made a medical determination that you do not have a mobility impairment, there is not much I can do to help you to get your disability verified. As we are not doctors ourselves, it is very difficult to contest CDC's medical determinations without outside medical expertise to counter it.

Likewise, we will not be able to help you remain on single-cell status under Armstrong or challenge your 115. Please refer to the information I sent you in my last letter that described how you can challenge a disciplinary violation.

I have made a copy of your 1824 for our files and three copies of your 1824 for you to keep. I am returning all your documents to you.

Please take care.

Sincerely,

Heather Isaacs

Dear Mr. Bloodsaw,

I write regarding letters our office received from you on May 16 and June 14.

As I wrote in my last letter to you, we will not be able to advocate for you to get mobility impairment accommodations if medical staff have determined that you do not have a mobility impairment. I understand that you believe your medical records show that you do have this type of disability. However, we cannot challenge the medical determination of CDC physicians.

I hope you will continue getting your hearing aid batteries as you need. Please let us know if any problems arise getting your batteries.

Finally, I am sending copies of the documents you requested and am returning the originals to you. For your information, if you need copies for legal work that you are doing, the law library should make those copies for you. We will not be able to do this for you any more.

Best of luck.

Sincerely,

*Heather Isaacs*
